

SPONSORSHIP OPPORTUNITIES

CTRC/CTN TELEHEALTH SUMMIT

Hyatt Regency Mission Bay in San Diego, CA May 16-18, 2018

Don't miss this opportunity to reach decision makers from healthcare facilities at all levels of telehealth implementation and integration!

The 6th annual statewide Telehealth Summit will be held at the Hyatt Regency Mission Bay in San Diego, May 16-18, 2018. The theme of the conference, "Advancing Telehealth Through Collaboration" will focus on applications such as live video, store and forward, remote patient monitoring, mHealth, and Direct to Consumer care. Health Plans, DHCS and CMS representatives will talk about new project developments and reimbursement. We will also learn more about telehealth integration with EHR, elements in developing successful clinic/specialty partner relationships, online telemedicine training curriculum, change management, and best practices as shared by successful FQHCs.

Our preconference workshop this year will feature the National Telehealth Resource Center for Technology's popular Telehealth Technology Showcase, where participants, in a hands-on environment, will learn about various telehealth technologies, software, and peripheral equipment. In order to keep this workshop as hands-on and interactive as possible, we will be offering the workshop twice, and limit seating to 20 individuals for each session.

The conference will be attended by telehealth clinician champions, coordinators, C-suite leadership, and IT professionals. Over the past several years we have maintained an average of 300 attendees, and anticipate the 2018 event will reach if not exceed this level of participation.

To confirm your sponsorship, sign up to exhibit, or place an ad, please complete the Sponsorship Registration and Payment form and return with payment information as indicated below.

Exhibit Hall Hours:

May 16, 2018	8:00 am – 3:00 pm	Set up
